

REMARKS/ARGUMENTS

The present Amendment is in response to the Office Action having a mailing date of April 25, 2007 (Current Office Action). The Current Office Action indicated that the amendment filed on April 19, 2007 (Prior Amendment) was noncompliant. The Prior Amendment was made in response to an Office Action having a mailing date of January 22, 2007 (Prior Office Action). In the present Response, Applicant reasserts and incorporates all of the arguments made in the Prior Amendment and provides the following supplemental Remarks.

Claims 1-37 and 40 are pending in the present Application. Applicant has amended claim 37 to recite, in the alternative, limitations analogous to those added to claim 13 in the Prior Amendment. In the Prior Amendment, Applicant had amended claim 13 to include, in the alternative, the limitations of claims 20, 23, and 24 and any intervening claims. Consequently, Applicant has amended claim 37 to include, in the alternative, limitations that are analogous to those of claims 20, 23, and 24 and any intervening claims. Accordingly, Applicant respectfully submits that no new matter is added.

In the Current Office Action, it was indicated that Applicant had made no remarks regarding the allowability of claim 37.

In response, Applicant notes that Applicant has amended claim 37 to include, in the alternative, limitations analogous to claims 20, 23, and 24 and any intervening claims. The Examiner had indicated that claims 20, 23, and 24 were allowable in the Prior Office Action. Claim 37 includes, in the alternative, limitations of previously allowable claims.

Accordingly, Applicant respectfully submits that claim 37 is allowable as currently presented.

Applicant's attorney believes that this application is in condition for allowance. Should any unresolved issues remain, Examiner is invited to call Applicant's attorney at the telephone number indicated below.

Respectfully submitted,

STRATEGIC PATENT GROUP, P.C.
